**Nicholas-Applegate Equity & Convertible Income Fund (NIE)  
2007 Tax Reporting Information**

The following information may be of value in reducing your state or local liability for dividend income received from the Fund.

Certain states exempt interest earned on direct obligations of the federal government from state and local taxes. However, the exemption requirements vary from state to state.

For example, certain states require that a minimum percentage (typically 50%) of a fund's assets consist of U.S. Government securities at the end of each quarter.

Nicholas-Applegate Equity & Convertible Income Fund did not satisfy this limitation.
