**PIMCO Floating Rate Income Fund (PFL)
2006 Tax Reporting Information**

The following information may be of value in reducing your state or local liability for dividend income received from the fund. Certain states exempt interest earned on direct obligations of the federal government from state and local taxes. However, the exemption requirements vary from state to state.

For example, certain states require that a minimum percentage (typically 50%) of a fund's assets consist of U.S. Government securities at the end of each quarter.

PIMCO Floating Rate Income Fund did not satisfy this limitation.

0.60% of income dividends paid qualify for the corporate dividends received deduction.

Total dividends paid in 2006 (per share):	\$1.94193
Thereof	
-Qualified Dividend Income:	\$0.01164
-Long-term Capital Gains:	\$0.00273

The following table details the percentage of income dividends paid by PIMCO Floating Rate Income Fund during calendar year 2006 from investments in U.S. Government obligations and repurchase agreements:
