**PIMCO Global StocksPLUS & Income Fund (PGP)
2005 Tax Reporting Information**

The following information may be of value in reducing your state or local liability for dividend income received from the fund. Certain states exempt interest earned on direct obligations of the federal government from state and local taxes. However, the exemption requirements vary from state to state. For example, certain states require that a minimum percentage (typically 50%) of a fund's assets consist of U.S. Government securities at the end of each quarter.

PIMCO Global StocksPLUS & Income Fund did not satisfy this limitation.

Dividends for the Fund are 86.73% taxable for the Florida intangible tax.

The following table details the percentage of income dividends paid by PIMCO Global StocksPLUS & Income Fund during calendar year 2005 from investments in U.S. Government obligations and repurchase agreements. 0% of income dividends paid qualify for the corporate dividend received deduction.

Direct U.S. Government Obligations	29.40%
Indirect U.S. Government Obligations	19.44%
Repurchase Agreements	1.49%
United States Treasury Securities	2.48%
